

MOPS is a Christ-centered ministry caring for soon-to-be mothers and mothers of infants through kindergarten.

This year's theme is ...

*Momsense:  
Bold • Loving • Sensible*

Combining her mom intuition and her common sense helps a woman discover her own unique MomSense.  
(Mom Intuition + Common Sense = MomSense)

We will learn that God is with us and we are created for relationship with Him and with each other. We are created to "Do Life Together"! The more we draw together in community, the better we are able to thrive as women and as moms.

- ◆ Fellowship with other woman where you can share thoughts and feelings on motherhood, marriage, and the art of homemaking;
